Dear Parents,

The holidays have begun. It is time for our little ones to catch up with all that they have been longing to do. Take them for a walk and let them enjoy the beautiful sunrise and the sunset, admire the beauty of nature, hear the chirping birds and see the fluttering butterflies.

It is their time to catch up with their Grandma's never ending stories and play wonderful games with Grand Pa.

To add to this fun time, we have prepared some activities to be done in the Scrapbook—

1. Create a beautiful herbarium of various herbs, edible flowers, spices and medicinal plants from India, East Asian Countries, Mexico, Italy and Australia and label them according to their origin and uses. Enjoy exploring nature and working on this herbarium project together.
2. Take them for a visit to their Grandparents' house to strengthen their bond. Their love and emotional support is very important. Click pictures with them.
3. Watch a few amazing fun English movies with your child.  
**(Zootopia, Toy story series, Trolls , Incredible series)**
4. Let them wash their own plates after meals (once a week or so). This would help them learn dignity of labour.
5. Help them paste pictures of the meals he / she takes during the day ie. breakfast, lunch, snacks and dinner. (Use magazine & newspaper cutouts).
6. Make them learn 10 new English words and help them list the same in the Scrapbook. Paste pictures related to those words.

We hope that the children will enjoy these activities and come back rejuvenated.
